

Degree Programs Conducted in English

**Osaka University, Graduate School of Engineering
offers the following Doctoral Degree program**

which is conducted in English

[Enrollment in April 2020]

**For Students who complete Master's Degree
of the following program in March 2020**

International Priority Graduate Program

on Engineering Physics

1. Program Summary

The objective of this program is to equip new generation of young scientists with fundamental knowledge and cutting-edge research skills in Engineering Physics. By elucidating the fundamental physical, chemical and biological properties of materials, and designing materials with novel functions, we open a new way to the development of nanotechnology, photon technology, and biomedical engineering. We also aim to develop and produce international collaboration through the creation of an intellectual human resources network. Furthermore, by utilizing interdisciplinary organizations and international networks, we contribute to other socially important fields such as new industries, environment, and energy problems.

2. Requirements for the Completion of the Course and Obtaining the Degree

(1) Requirements for completion of the course:

①earn no less than six total academic credits

②completion of the Special Research

③defense the doctoral dissertation and passing the final examination of the course

(2) Degree: Doctor of Philosophy in Engineering

3. Admission Quota

A few

4. Program Website

http://www.pstap.eng.osaka-u.ac.jp/index_e.html

5. Application Requirements

(1) Educational background:

Those who are expected to complete the following master's degree program by March 31, 2020.

- International Priority Graduate Program of “Quantum Engineering Design Course”

(2) Health: Applicants must be physically and mentally healthy enough to pursue study at university.

6. Application Procedures

Note:

Every applicant must find, well in advance, a supervisor suitable for the research field in which the applicant is interested, and contact him/her by email to confirm whether the field is adequately fitting to his/her laboratory.

Application Period . . . **October 28 to November 1, 2019 3:00 p.m.(Japan time)**

The application materials must be submitted or be sent to the Admission Section by post or by hand, to be reached strictly no later than the last day of application period above.

(1) Application Materials

Materials	Details
(1) Application Form	<ul style="list-style-type: none">• Fill out the prescribed “Application for Admission” form.• A photograph (4cm×3cm) should be affixed to the first page. It should be taken within the last 3 months and should show the upper part of the body, without hat, in a frontal pose.
(2) Admission Ticket for an Examination and Photo Card	<ul style="list-style-type: none">• Applicant's name must be written on the prescribed form.• Two photographs (4cm × 3cm) should be affixed. It should be taken within the last 3 months and should show the upper part of the body, without hat, in a frontal pose.
(3) A copy of applicant's Residence Card	<ul style="list-style-type: none">• It must specify applicant's residence status, period of stay, and current address.

Notes:

- (1) Admission Ticket for an Examination will be sent to the applicant.
- (2) Once application documents have been received, they will not be returned.

7. Selection and Announcement of the Results

(1) Graduate School of Engineering, Osaka University will select matriculates from the applicants by reviewing the application materials and documents submitted by the applicants. An interview and/or academic examination might be conducted if deemed necessary from the end of November to the beginning of December.

(2) The examinee's number of successful applicants will be posted on the Graduate School Admissions page of the Osaka University School/Graduate School of Engineering website

by the end of December 2019.

8. Tuition

Tuition: 535,800 JPY/year

Notes:

- (1) The bank transfer fee is to be paid by the applicant.
- (2) The amount of tuition is subject to change. Amendments to fees will be applied from the date of amendment.
- (3) Tuition is waived for the MEXT Scholarship awardees.

9. Semester Starting Date

April 1, 2020

※Classes may start at a later date.

10. Notes for Applicants

- (1) Incomplete documents will not be accepted.
- (2) The content of submitted documents cannot be changed after the application procedure has been completed.
- (3) Applications may be rejected or admission may be revoked even after matriculation, if any information or material in the application is found to be fraudulent.
- (4) For any questions concerning the application procedure, please contact the Admission Section freely.
- (5) On-campus parking spaces for cars and motorcycles are not available on the day of examination. Use of public transportation is encouraged instead.

11. Policy on Handling Personal Information

- (1) Names, addresses, and other personal information obtained through the application procedure will be used in the Entrance Examination Process, in the Announcement of the List of Successful Applicants, in the Admission Procedures, and in the distribution of program leaflets. For those admitted into Osaka University, personal information will also be used in academic-related matters (such as keeping academic and registration records), in student support matters (such as health care management, school fee remissions, scholarship applications, career support, etc.), and in school fee management.
- (2) Information obtained through the entrance examination will be used in statistical analysis of examination results, and in research on admission methods.
